

Summer Sessions

The University of Nebraska-Lincoln's Summer Sessions is the largest, most comprehensive summer studies program in the state. Summer Sessions at UNL is an integral part of the year-round academic program and is designed to meet the needs of the students by offering hundreds of courses through 70 departments. Options include participation in field work practica, internships, research with faculty or live theatre performances.

To further accommodate busy summer schedules, the program features several sessions of varying lengths. Classes are offered during three, five and eight week sessions. These modules can be combined in several combinations to meet student needs.
