

TABLE 200

FACULTY HEADCOUNT BY COLLEGE, HOME DEPARTMENT, RANK, RACE AND SEX

This table presents the total number of faculty, both full-time and part-time, employed by UNL as of the Fall census date (does not include Nebraska College of Technical Agriculture faculty). These data may not coincide with results released by UNL for federally mandated Equal Employment Opportunity/Affirmative Action reports because of differing reporting definitions required by the federal government. Racial designations in this table do not denote scientific definitions of anthropological origins. The number of non-resident aliens in each category are enclosed in parentheses following the total number in the category. A "non-resident alien" is a faculty member who is in this country under conditions of a visa. Excluded from the non-resident alien category are permanent immigrants and refugees who are not U.S. citizens and are not required to leave the United States at a future date.

The information contained in this report was obtained from the University Personnel/Payroll System database. Tenured and tenure-track faculty in Agricultural Research Stations, Tractor Testing, Foundation Seed and Continuing Studies have been included in their tenure-home departments.

Human Resources & Family Sciences departments with the suffix "IANR", include faculty who are paid exclusively from Institute of Agriculture and Natural Resources (IANR) research and extension funds and receive no instructional funding from Human Resources & Family Sciences.

CENSUS DATE: SEPTEMBER 22, 1995
