

TABLE 230

HEADCOUNT OF TENURED AND TENURE-TRACK FACULTY AND ACADEMIC ADMINISTRATORS
BY COLLEGE, TENURE-HOME DEPARTMENT, RANK, RACE AND SEX

This table presents the total number of tenured and tenure-track personnel employed by UNL as of the Fall census date. These data may not coincide with results released by UNL for federally mandated Equal Opportunity/Affirmative Action reports because of differing reporting requirements required by the federal government.

The information contained in this report was obtained from the University Personnel/Payroll System database. **All academic administrators, as well as faculty, with tenure or on tenure-track are included in this summary.** Totals in this report will very closely match the Regents' Tenure Density Report. There will be some differences attributable to different run dates for the reports and because several Central Administration personnel who hold tenure in UNL departments are excluded from Table 230.

Human Resources & Family Sciences departments with the suffix "IANR", include faculty that are paid exclusively from IANR research and extension funds and receive no instructional funding from Human Resources and Family Sciences.
