

TABLE 102—FIRST-TIME FRESHMEN

FIRST-TIME FRESHMEN HEADCOUNT ENROLLMENT BY COLLEGE, MAJOR, RACE, AND SEX

The format of Table 102—First-time Freshmen is essentially identical to Table 100, except that the counts are restricted to first-time freshman-level students. A first-time freshman is an entering freshman who has never attended any college. Also, this category includes students enrolled in the fall term who attended college for the first time in the prior summer term and those first-time freshmen who entered with advanced standing (college credits earned before graduation from high school). Students with an unknown racial category are included in the "white" category. Total number of "unknowns" are indicated in the notes section at the bottom of each table page.
